

Number Line Card Templates

By Brad Fulton

These fraction, decimal, and percent card templates are an ancillary for the “Number Line” activity by Teacher to Teacher Press. To use them, please refer to the lesson plan itself for detailed instructions and ideas for implementation.

These pages are offered free for a limited time as a single-user license. You may use and copy them for your own classroom use. Please to not duplicate either physically, digitally, or electronically or transfer these to another user without permission from the author.
